

Slumber Song

Harriet V. Dargatzidis

Oct. 14/93

1. Gush my babe and close thine eyes.
2. Sleep my babe up-on my breast
3. Sleep my babe and may thine eyes

Slumber
Abow see
Open

in thy Par-a-dise;
Thou art in par-fect rest,
Lorn in Par-a-dise.

Here thoult learn to wake and
On thy mother's wage-torn
For thou earth thoult learn to

weep -
heart,
weep.

While thoult a - ble, sleep, child sleep.
Like God's infinite peace thou art.
While thoult a - ble, sleep, child sleep.

While thoult
Like God's
While thoult

a - ble, sleep, child sleep.
in-fi-nite peace thou art.
a - ble, sleep, child sleep.

sleep. - Ending this me -
